We have prepared this suggested list of menu options based on the most current ingredient information from our suppliers and their stated absence of egg within these items. Please be aware that during normal kitchen operations involving shared cooking and preparation areas, including common fryer oil, the possibility exists for food items to come in contact with other food products.

Due to these circumstances, we are unable to guarantee that any menu items can be completely free of allergens.

At On The Border, a top priority is always the health and safety of our guests. As part of our commitment to you, our vegetarian menu is based on product information provided by On The Border’s approved food manufacturers. Every effort is made to keep this information current. However, it is possible that ingredient changes and substitutions may occur due to the differences in regional suppliers, recipe revisions, preparation techniques and/or the season of the year. Certain menu items may vary from restaurant to restaurant and may not be available at all locations. We highly recommend that our guests with special dietary needs consult with a restaurant manager prior to placing an order to ensure the posted information is accurate and represents the menu items sold at that particular location. Limited time offers, test products or regional items have not been included in the menus.
